RE: Jefferson County LEPC funding through the Southeast Texas Plant Manager's Forum

Mr. Durkey,

Please let this serve as the 2017 Jefferson County LEPC invoice to the Southeast Texas Plant Manager's Forum. The yearling invoices have gone out to all members of the LEPC however; this amount is for the LEPC members that pay through the SETPMF. With the exception of our duties related to Emergency preparedness and response. The second largest job deals with the running of our LEPC. This includes all emissions reports as well as Tier II documentation. Therefore, we are requesting a portion of the financing for office help to run a proper LEPC.

The amount agreed to by all is **\$19,500.00** and helps cover expenses for office help, training, public education and attendance at conferences by members of the LEPC.

Please forward this to the SETPMF so we can get this processed in a timely manner. We would like to have this closed by March 1, 2017.

Respectfully,

Greg Fountain, EMC
Jefferson County
